San Bruno, CA (February 10, 2008) – A+ Career Apparel continues to build its reputation as the leading manufacturer of everyday apparel for business, casual and custom outfitting. From tops to bottoms, A+ Career Apparel can service all your needs.

“We work from the bottoms up,” says George Collinger, National Sales Manager for A+ Career Apparel.

“Few apparel manufacturers making for our markets produce the assortment of pants, shorts and skirts that we do. From hidden-elastic waist pants, to cargo-pocketed pants and shorts, to everyday basics, we do it all at great prices,” Collinger emphasizes.

“Our bottoms offer a great fit, and feature *exclusive* A+ Fabrics for longer wear, easy care, maximum softness and everyday comfort,” Collinger states.

Collinger continues, “Along with our great selection of bottoms, we manufacture a variety of products, including polo knit shirts, oxford, broadcloth, poplin and aviator shirts, overshirts, turtlenecks, signature sweaters, commando and twin-set sweaters, vests, fleece jackets, socks and activewear. We know how to ‘top our bottoms’. And apart from this wide assortment of products, we also offer the added bonus of our **Wear-Tested™ Guarantee** on everything we make – **If any garment does not stand up to one year of normal wear, we’ll replace it.
